

PC Nation Computers and Generals Merchandise

Brgy. 37, Purok 5B, Satellite Market Road, Bitano, Legazpi City

Tel: No. (52) 820-5142, (52) 820-0575, (52) 435-0188

Cell: No. (0922) 858-0078, (0917) 558-0711

CUTTING PLOTTER

Features:

- 1) American Professional integrated Circuit with high precision and speed.
- 2) Serial and Parallel port, USB port (optional), Large memory and quick off-line.
- 3) Real time regulation on speed and pressure, setup the origin discretionarily, considering customers at any time.
- 4) Most advanced stamp roller, ensures the paper feeding will not deviate for long time, high precision and long life-time.
- 5) Large LCD with English/Chinese/Japanese character, supporting pre-setup function, operation status is clearly shown.
- 6) Popular cutting language, supporting any kinds of software in the market as **FLEXISIGN, SIGNCUT, ARTCUT** and so on.
- 7) USB system supporting Made-to-order.

Technical Parameter:

Model/Item	MT365	MT721	MT871	MT1100	MT1350
Unit Price	Php 23,370	Php 67,720	Php 101,000	Php 147,560	Php 184,120
Max. Paper Width	365mm	720mm	870mm	1100mm	1350mm
Max. Cutting Width	275mm	630mm	780mm	1000mm	1260mm
Buffer Capacity	1M	1M 4M	1M 4M	1M 4M	1M 4M
Cutting Speed	50-800mm/s				
Max. Cutting Force	50-500g				
Resolution	0.0254mm				
Real Time Control	YES				
CPU	8-bit CPU				
Special Setting	Dual Cutter Position, Dual Strips				
Strip of Plotter	Double Sheet (Soft sheet & Plastic sheet)				
Driver	Stepping Motor				
Min. Character Matrix	Approx 5mm [0.2"] high				
Blade Type	Super Steel [1.2mm & 2.0mm]				
Film Type	Self -adhesive vinyl film, Fluorescent film, Reflective film, Paper				
Display Panel	8 digits X 2 Line LCD				
Voltage	90-260V				
Interfaces	Parallel & Serial, USB				
Repeatability	0.127mm				
LCD	English Show				
Machine Stand	No	Yes	Yes	Yes	Yes
Machine Color	Three color for choose – White, Black & Dark Grey				

MT-870
